

Here, I'll draw you a picture.

Electrons = 6
 Protons = 6
 Neutrons = 6

Carbon Atom

Oh Wow! Looky here! I see where this is going man.

Hmmmm. Do you mean that you see that carbon is 666? I see more. I see the 3 signs of carbon; 6 negative, 6 neutral, and 6 positive matching the same 3 signs of the 6 negative natures, 6 neutral questions, and 6 positive natures in the image of man. Let me draw you a picture.

6	6	6	Evening, Morning, Day (6 th day)
-6	6	+6	Image of Man
-6	6	+6	Carbon

That's cool.

That's a perfect coincidence.

Perfect coincidence? There is no such thing.

I know you want me to think that this is no accident, and that it confirms scientific truth in the Bible.

The truth is in the Bible, but this is the reality of the truth in the Bible.

Do you believe it now?

Believe it? Me? I need more proof.

Hey, Joe. Do you remember when you called carbon the mother of all life?

Yep.

I am going to draw another table that includes this comment. It will also include your other comment about man is mostly water, and then what Jesus said about water.

Do you mean another body, soul, and spirit table?

Yep. So under what column does carbon belong?

I guess the body column, since I said carbon is the mother of life, and
