

Yes.

So that leaves the spiritual realm as the third and final row, right?

Yes, of course, Joe.

I can see that each animal is cut in half. This results in 2 parts for each animal. Am I on the right track here?

Yes.

If I multiply each animal's 2 parts with 3 years I get 6, right?

Yes.

Therefore there is 6 for each animal, so there is 6 6 6 for each column.

Yes. You did it. Now was that hard?

Why a heifer, Moe?

A heifer is a female, which has not yet given birth.

What's that mean?

Mother EVening must birth man's body and deliver a soul to honor the scapegoat, who takes away man's sins.

Lets put up the table, Moe.

I suggest we add body, soul, and spirit in the heading.

Realms	Evening Body	Morning Soul	Day Spirit	God Man
Physical	Heifer = 2 halves	Female goat = 2 halves	Ram = 2 halves	
Spiritual	3 x 2 parts = 6	3 x 2 parts = 6	3 x 2 parts = 6	666
Time	3 years old	3 years old	3 years old	

### The Covenant of 666 Blood with Abram

Why a female goat?

Only a female goat can give birth to a reborn soul.

What does the 666 number mean here?

Abram plays a spiritual role for humanity—a 666 handoff.

You are getting difficult, Moe. That doesn't tell me anything.

I am trying to stay on track by giving you 666 calculations that confirm and validate the first 666 calculation of the image of man in Genesis I. You don't need to know what they mean.

If I know what they mean, it helps to confirm and validate the first calculation. Is there some kind of order to these calculations?

Yes. Remember before, when we discussed the 3-way image of God as His introduction, and the two directional communications for salvation?

Yes. Body, soul, spirit is for man-to-God communication, and spirit, soul, body is for God-to-man communication.

These 666 calculations fall into the direction of spirit, soul, and body, because God is speaking to man with His written Word starting with His creation of man's spirit.

What is the first 666 calculation in this order?

Actually the order for these 666 calculations starts with the Genesis I 666 calculation for man's spirit.

And the second?

The second is Abram's 666 Covenant for man's soul.

And the third?

The third is Solomon's 666 calculation for man's body.

Moe, don't you have a picture for me. I think it would help me see the calculations relative to each other.

I will borrow it from *The Genesis I Window*.

	(God)	Evening	Morning	Day	
	(Man)	Body (3rd)	Soul (2nd)	Spirit (1st)	
1 Creation Genesis I	Evening Count = 6	Morning Count = 6	Day Count = 6	(1st mark) Spirit = 666	↓
2 Abram Covenant	Heifer 2 parts x 3 yrs =6	Female goat 2 parts x 3 yrs =6	Ram 2 parts x 3 yrs = 6	(2nd mark) Soul = 666	↓
3 King Solomon	6 Steps to throne	60 Queens	600 Shekels	(3rd mark) Body = 666	↓

### Three Calculations for 666 on Mankind

Ok. So now tell me, what is this spiritual handoff to Abram?

God handed off control of man's soul marked 666 to deep darkness.

So now, not only do you say that I am marked with 666, but my soul is in deep darkness.

Just look at the 6 dark natures that you placed in the same column as Mother EVEning, and you can see this.

You are talking about my Image of Man table, aren't you, Moe?

Yep. But what do think about the three 666 marks on man in the table above?

I see that the calculations for the soul and body have the same number that is calculated in the Creation.

Which is?

666.

Do you believe me now, Joe?

Believe what?

Do you believe that the 666 calculation in the Creation does have purpose?

I have had enough of this Bible talk, Moe.

Why?

I hate this.

It's just a number.

Let's talk real numbers. Lets talk science.

Before we end this subject I have a quartet for the end of time playing in my head;

A lesson in numbers, a study of words,  
Triple six creatures, count the herds.  
The natures of EVEning, the beast in the snake,  
Deception in darkness, the world that is fake.  
And blinded by dogma, you won't understand,  
The prophet Messiah, the Great I AM.

Lets talk science.

Ok, Joe. I shall give you your real numbers of science, next.
